Specialist B2B media company 3S Media has announced the winners of its 2021 Women in MICE Awards with RX Africa receiving honours in various categories.

Launched in 2014, these Awards are a showcase of the extraordinary achievements made by some of the industry's top players within the MICE (meetings, incentives, conferences and exhibitions) sector.

"All our teams have contributed to a successful journey through a very difficult time, and we are particularly proud of those members recognised by the Women in MICE Awards," says Carol Weaving, Managing Director of RX Africa. "This is a great achievement to end off August which is recognised as Women's Month in South Africa," she adds.

"The women named this year have gone above and beyond our expectations, given the difficulties our industry faced. As a team, RX Africa could not be happier," says Weaving.
